

**Empower your entire cohort. Without the compromise.**

At AnalysisPro, we help universities and colleges bridge the gap between classroom theory and elite-level practice. We support over 70 higher education institutions across the UK and Ireland by providing the same professional-grade tools used by international and top-flight teams.

### **Professional video analysis curated for universities and colleges**

Move beyond the limitations of fixed lab environments by combining the power of Nacsport desktop software with the flexibility of Nacsport Hub. This integrated offline and online ecosystem provides a 360° approach to performance analysis, allowing students to master professional workflows in the lab and continue their collaborative coursework on any device, from any location.

Analyse on PC, Mac & online

# WHY NACSPORT HUB FOR EDUCATION?

Start the journey online with easy upskilling.

## Unrestricted tagging

Every student gets unlimited tagging and presentation windows, so they are never capped on their coursework and learning.

## More videos and angles

Ample space for video files with the ability to sync up to 4 angles online.

## Superior control

Every plan includes 5 Super Admin accounts to oversee the platform, plus scalable Admin accounts for lecturers to manage specific student groups.

## Collaboration at its core

Students can share work with custom permissions (view-only or view-and-edit), making peer review and group projects simple.

# ONLINE & OFFLINE HYBRID ANALYSIS

Prepare students for industry.

## Seamless synergy

Move videos and data effortlessly between the Nacsport Scout desktop software and the Hub.

## Software power

Enhanced live and post event workflows, data visualisations and exports available with the Nacsport software. Video to bench made easy with the Nacsport and Nacsport Hub connection.

## Exclusive student licences

Students gain access to heavily subsidised Nacsport Scout licences for their personal laptops to master industry-standard tools at home.

## The "hybrid" offer

For institutions with 100+ Hub user plans, we offer massive discounts on Nacsport Scout desktop software licences.

## 3-year agreements

Get a 20% multi-year discount on your Hub subscription plus 2 FREE Nacsport Scout licences (or support and update service renewals for existing users) and 50% off any additional ones.

## Annual agreements

Get a flat 50% discount on all new Scout licences or support and update Services renewals.

# NACSPORT HUB EDUCATION PRICING

Users	Admins	Video GB	Annual Price	20% Multi-Year Price
30	3	300	£1,950	-
50	5	500	£2,650	£2,120
100	10	1000	£3,750	£3,000
150	15	1500	£4,850	£3,880
200	20	2000	£5,900	£4,720
250	25	2500	£6,750	£5,400
300	30	3000	£7,500	£6,000

**Comparing hours to GB?** An average video size to use for 1 hour is 3GB.

For example, a 500GB Hub plan would be around 166 hours of video.
